Students are expected to attend **all** their lessons. This includes English, Sports and Leisure lessons etc. There are only two reasons for acceptable absence:

1. Illness - In cases of illness the student must visit the Matron who will assess the situation and decide on the most suitable course of action. Students in a Homestay must ensure the hosts inform the College should they need to stay home.
2. Sanctioned holidays – Adult and International Academic Semester (IASP) students may take time off to go on holiday or short breaks. Any such students must complete a form (attached), which can be collected from the Staff Room. They must complete this form for each period they are away. Students under 18 must also obtain written permission from their parents before they leave. In addition, group leaders may choose to take their students to a local place of interest, or parents / guardians who visit during a student's course may take them off site for a short time.
3. All Students are informed of these rules in written form in the Student Guidelines in their Welcome Pack and orally and visually during their PowerPoint Welcome Presentation at the College.

Monitoring Attendance

The following procedure applies for the high season:

1. English and sports teachers take the register at the beginning of each lesson.
2. The Attendance Team patrol all classes and sports stations to gather information on any absentees.
3. The Attendance Team record the absence and locate the students.
4. The students are returned to class or taken to the Matron as appropriate.
5. Records are kept by the Attendance Team which are put onto the CLASS database by the Receptionist.
6. The Attendance Team register any repeat offenders and discuss them with the Director of Studies or with the College Manager, the students are disciplined if necessary.
7. Discipline follows the normal procedure. Persistent offenders will receive a verbal warning, a first written warning and then a final warning. Further unexplained absenteeism will result in expulsion. Students may be reported to Immigration and the Home Office. All records of warnings or disciplinary actions are recorded on CLASS under the student's name. Copies of the discipline documentation are kept in a central location. The Partner or parent is kept informed of every stage of the procedure. In the case of any students where there is a group leader, they will also be involved in monitoring the situation.

The following procedure applies for the low season:

1. English and sports teachers take the register at the beginning of each lesson.
2. The teacher must report any absentees to the Director of Studies or College Manager as soon as possible.
3. A senior staff member is appointed to locate the missing student(s) and they are returned to class or taken to the Matron as appropriate.
4. In most cases there is a group leader at this time who will also be involved in monitoring the situation and may report the absence or locate the student.
5. Records are kept by the class teachers and put onto the CLASS database by the Receptionist.
6. The class teachers register and report any repeat offenders and discuss them with the Director of Studies or with the College Manager, the students are disciplined if necessary.
