Harrow House fully recognises its responsibilities for health and safety

SECTION A: GENERAL STATEMENT OF POLICY

Our policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, guests and customers and to provide such information, training and supervision as they need for this purpose. We also accept our responsibility for the health and safety of other people who may be affected by our activities.

The allocation of duties for safety matters and the particular arrangements which we will make to implement the policy are set out below.

The policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it is operated will be reviewed every year.

This policy should be read in conjunction with and follows the guidance provided within the DFE document **Health and safety: Advice on legal duties and powers for local authorities, school leaders, school staff and governing bodies.**

February 2014 (DFE-00035-2014)
